REP CANCELLATION AND EMERGENCY NOTIFICATION

Our message distribution system will notify all families of an affected REP session of any situational or inclement weather cancellation via the primary phone number you registered with us. If you elected to have a text message sent, this will also be done. Additionally, we will notify you via email of the cancellation. We will not necessarily cancel REP in the event that school is canceled for the day, as we serve families from many different districts. Please be sure to notify us of any phone number, email, or address changes during the year so that we have your most up to date contact information.
